

21 in 21 challenge

Learn a new stitch	Upcycle or recycle a piece of work	Swap scraps from your stash with a friend and make something
Visit an exhibition (virtual if necessary!)	Try a new craft	Make a piece for exhibition and/or competition
Sketch or stitch outdoors	Teach somebody a new skill	Keep a visual diary for a month
Plant a tree or bee friendly flowers	Make an eco shopping bag from your stash	Try eco printing
Create a colour palette from a photo	Stitch onto non fabric eg leaf, piece of wood	Decorate an item of clothing
Design and stitch a postcard and send to a friend	Make and decorate a mini book	Curate a collection of objects; find a way to record it
Make something using a colour you wouldn't normally choose	Try as many variations as you can of one stitch eg size, weight, spacing	Complete a ufo (or swap with someone else !)

21 in 21 challenge

Please try as many challenges as you can, in any order that you like. You may like to keep a record of them in a book, and there will be a dedicated page on the branch Facebook account to post details as you complete a challenge. If you're stuck brainstorm with a friend or contact me for extra ideas.
